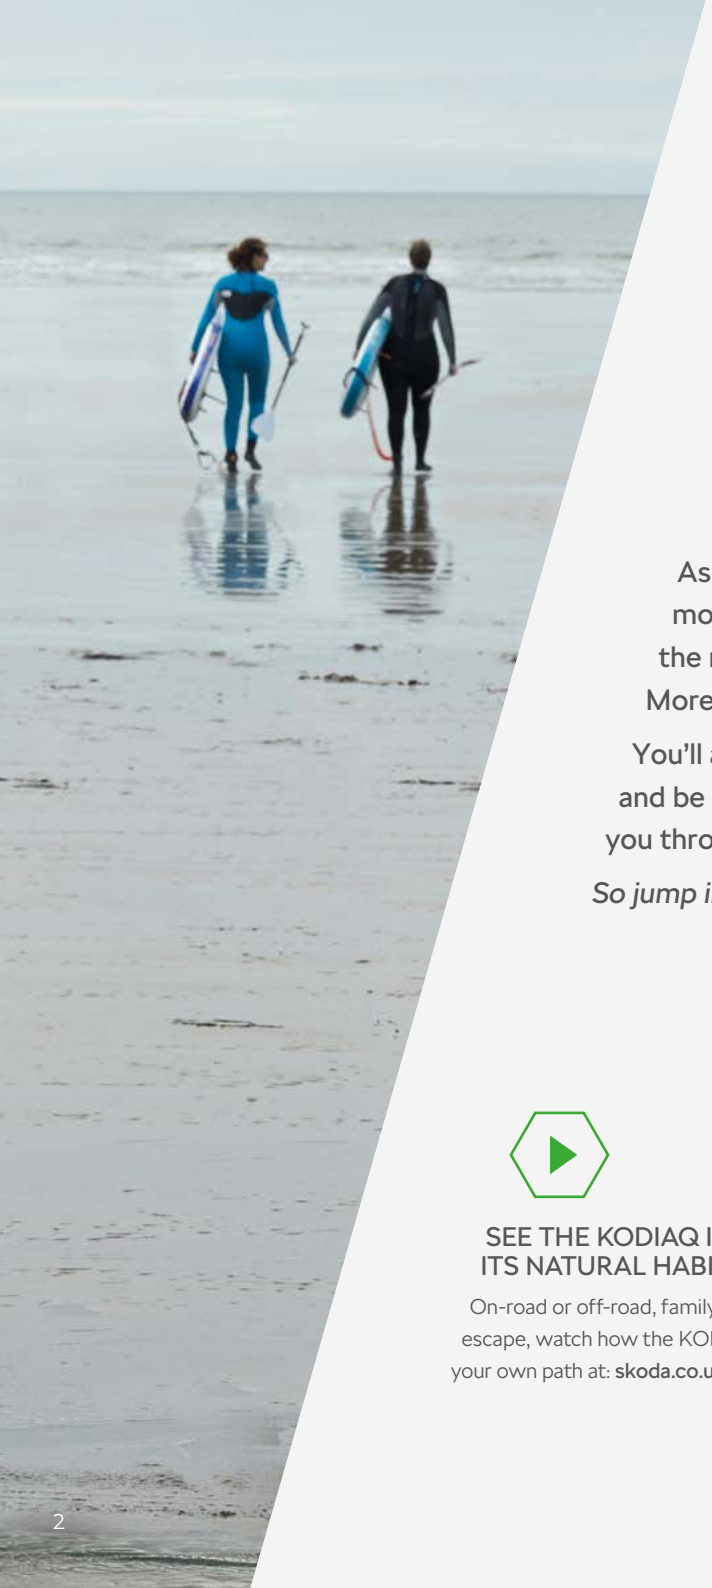
KODIAQ

ŠKODA

Effective: November 2018

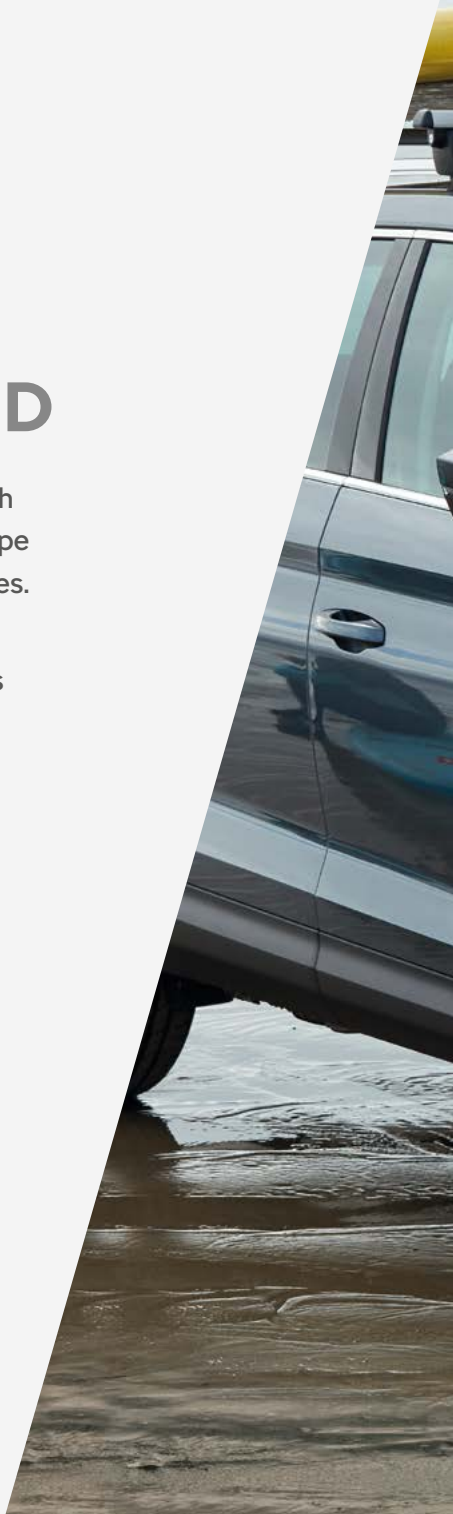


THE KODIAQ – BREAKING NEW GROUND

As ŠKODA's first ever seven-seater SUV, the KODIAQ comes with more as standard. More opportunities to explore unknowns, escape the norm and banish boredom on exhilarating 4x4 family adventures. More ways to rediscover and reconnect with nature.

You'll also find more practical spaces, more inventive design touches and be more connected on the road than ever before. And the more you throw at the KODIAQ, the more fun you'll have.

So jump in and break free.



SEE THE KODIAQ IN ITS NATURAL HABITAT

On-road or off-road, family adventure or private escape, watch how the KODIAQ lets you forge your own path at: **skoda.co.uk/models/kodiaq**

Models shown are not UK specification.

DESIGNED TO MAKE A STATEMENT

The KODIAQ isn't just a car built to take on the toughest terrains with ease. Its tornado lines, precise edges and crystalline influences add to its distinguished style.

FRONT LIGHT SYSTEM

This adaptive system adjusts light intensity to match the conditions, providing a wider lighting field for city driving and a longer reach for motorways. When oncoming traffic is detected, it automatically adjusts to prevent dazzling others.

REAR LED LIGHTS

Designed to be seen in every sense, these rear LED lights feature ŠKODA's distinctive C-shape crystalline style with their prominent and eye-catching multi-faceted finish.

Models shown are not UK specification. Some of the equipment shown is optional.

PANORAMIC SUNROOF

This electrically adjustable panoramic sunroof and blind provides extra sunlight and fresh air at the simple touch of a button.

WHEELS

Ranging from 18” to 20”, a choice of alloy wheel options are available, giving you the opportunity to uniquely personalise the KODIAQ’s distinctive exterior.

FIRST-CLASS TRAVEL FOR UP TO SEVEN PASSENGERS

Models shown are not UK specification. Some of the equipment shown is optional.

With many clever features designed to make your life just a little easier, the only thing not packed into the KODIAQ's stylish interior are your passengers. Available with up to seven seats.

DIGITAL VOICE ENHANCEMENT

Particularly handy on noisy roads, this innovative feature transmits the voices of those in the front seats to rear seat occupants in real time through the infotainment system.

TRI-ZONE CLIMATE CONTROL

This intelligent system enables different temperatures to be set for the driver, co-driver and rear passengers. It's also fitted with a sun sensor and humidity sensor to reduce windscreen misting.

LED INTERIOR LIGHT PACK

Selecting the KODIAQ's LED ambient lighting is anything but a black and white decision. From the understated to the unapologetically bold, 10 colour options are available.

PERSONALISATION OPTIONS

The infotainment system enables different drivers to save their individual preferences, from seat positioning and driving mode to the choice of music on the radio.

CONNECTIVITY TO GO WHEREVER YOU GO

By enabling you to be fully online on the move, the KODIAQ helps you stay connected wherever your adventure takes you. Thanks to its smart assistance systems, you'll also know the best places to park, shortcuts to take and routes to avoid.

ŠKODA CONNECT

The new ŠKODA Connect system turns the KODIAQ into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates. With Proactive Services the car will contact your ŠKODA Retailer to arrange a service. Finally, Emergency Call will contact the emergency services in the event of an accident to get you the help you need.

SMARTLINK+

SmartLink+ enables you to connect your smartphone through the infotainment system with Apple CarPlay™ and Android Auto™ as standard across the range.

NAVIGATION SYSTEM

The Columbus satellite navigation with 9.2" touchscreen display and integrated Wi-Fi will get you from A to B, but why stop there? With its Bluetooth®, SmartLink+ and Wi-Fi capability, it offers more connectivity on-the-go.

CANTON SOUND SYSTEM

Premium German sound engineering, tailor-made to your KODIAQ. The CANTON Sound System delivers powerful clarity from 10 speakers around the car.

VIRTUAL COCKPIT

Put all the information you need right in front of your eyes with the customisable 10.25" digital display, which replaces the traditional instrument dials and can be customised with four views (Classic, Basic, Extended and Modern). A fifth Sports view is available for SportLine and vRS models.

Images shown may not be UK specification. Some of the equipment shown is optional.

AN INTERIOR FOR LOVERS OF WIDE OPEN SPACES

There's always room for more toys, more snacks and the occasional four-legged friend. After all, life's too short to let anything ever get in the way of quality family time away. Especially a lack of space.

JUMBO BOX

Equipped with cup holders and handy storage compartments, the Jumbo Box will store your gadgets, house keys and books.

SPACIOUS STORAGE

Several spacious storage compartments have been included in the interior to help you keep it looking its best. Some can also be air-conditioned, making it perfect for storing chilled refreshments.

Models shown are not UK specification.

MORE ROOM TO PLEASE

With one of the best luggage capacities in its class, you no longer need to compromise on what you pack. With the rear seats folded (5 seat versions), there's a remarkable 2,065 litres of space available. That means ample room for everything that's important to you. The remote release button makes folding the rear seats easy.

DOOR EDGE PROTECTION

All side doors are fitted with plastic strips that eject upon opening and cover the edge of the door. Ideal when you're in a tight parking spot.

CLEVER DESIGN WITH A HUMAN TOUCH

At ŠKODA we believe the best ideas are those that make our lives simpler. That's why the KODIAQ is full of practical touches to ensure every trip is easy.

CHILD SAFETY LOCKS

With a quick push of a button, you'll enjoy the peace of mind that comes from knowing the youngest adventurers onboard aren't going anywhere.

REMOTE BOOT OPENING

When your hands are full, simply swipe your foot underneath the luggage compartment to automatically open the door. We call this the Kick Activation (Virtual Pedal), which only works when it detects your keys are in range.

UMBRELLA STORAGE

A spot of rain will never dampen your spirits again thanks to the umbrellas located in the front doors.

FUEL DOOR

With fuel-fill protection, you'll never load up with the wrong fuel again. You'll also find a handy ice scraper on the fuel door for those frosty mornings.

Models shown are not UK specification.
Some of the equipment shown is optional.

EVERY ANGLE COVERED

Obstacles come from every direction and in all shapes and sizes. Once Area View is activated, four wide-angled cameras make you aware of the challenges immediately surrounding you, enabling you to react quickly to whatever comes your way.

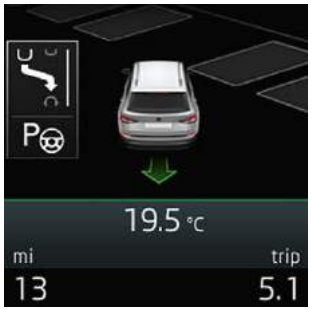
ALWAYS LOOKING OUT FOR YOUR SAFETY

PEDESTRIAN MONITOR

Whether it's a child chasing a loose ball or an adult glued to their smartphone screen, if someone unexpectedly crosses your path the Pedestrian Monitor automatically reduces your car's speed to help prevent a collision.

MULTI-COLLISION BRAKE

In the unthinkable event you have an accident in your KODIAQ, the Multi-Collision Brake system will automatically slow the car to help protect you from any further collisions.



PARK ASSIST

This function removes the stress of reverse and parallel parking by identifying if the parking spot is big enough before automatically steering into the space for you.

TRAVEL ASSIST

The onboard camera recognises and displays key traffic signs on the trip computer and navigation system, helping you to be safer behind the wheel.

HIGH BEAM CONTROL

Safer for you, kinder to others. Light Assist with High Beam Control can switch to high beam and back automatically, ensuring optimum visibility without dazzling oncoming traffic.

BLIND SPOT DETECT

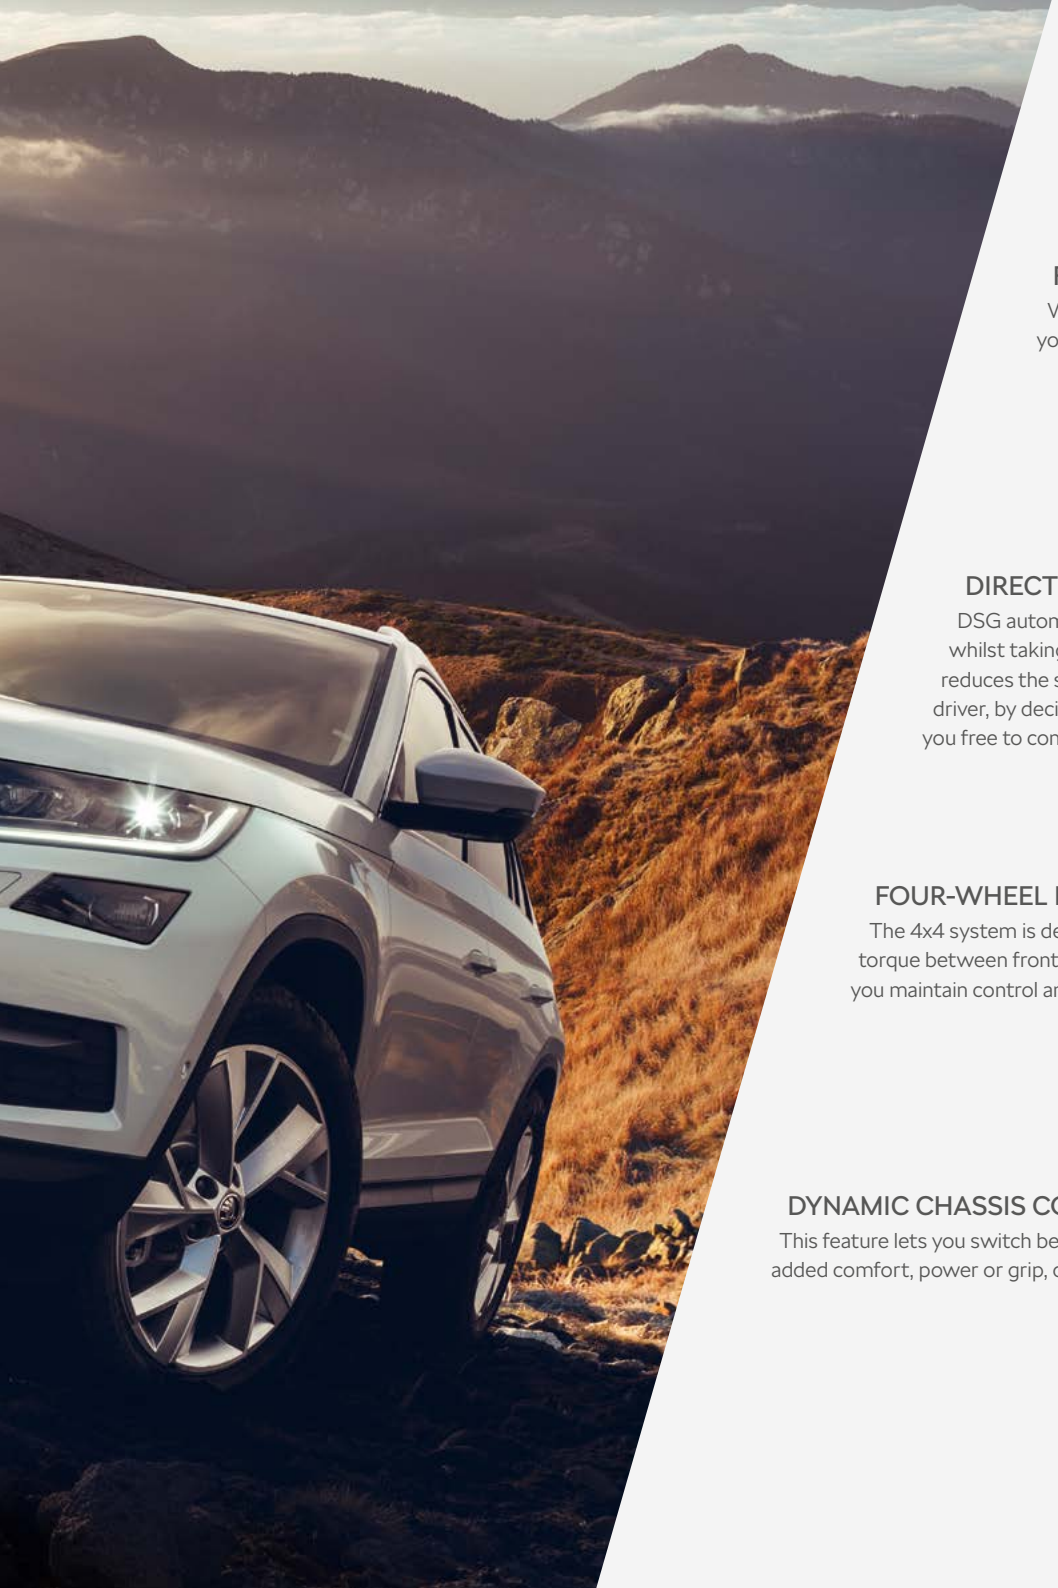
An extra set of eyes on the road that monitors the blind spots allowing you to manoeuvre safely.

Images shown may not be UK specification. Some of the equipment shown is optional.

MAKE THE UNEXPECTED A FAMILY TRADITION

Even when tackling extreme terrains, every twist and turn is easier with off-road mode, providing hill-hold control, descent and braking assistance.

Models shown are not UK specification. Some of the equipment shown is optional.



FUEL-EFFICIENT ENGINES

Whether you favour petrol or diesel, you'll find a clever engine to suit.

DIRECT SHIFT GEARBOX (DSG)

DSG automatically adapts to your driving style, whilst taking road conditions into account. It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

FOUR-WHEEL DRIVE

The 4x4 system is designed to smoothly distribute the torque between front and rear axles automatically, to help you maintain control and stability.

DYNAMIC CHASSIS CONTROL

This feature lets you switch between six driving modes, giving you added comfort, power or grip, depending on the terrain.

KODIAQ SE

Thanks to the impressive infotainment system and comfort enhancing features, your passengers will be kept amused and refreshed on even the longest adventure.

YOUR KODIAQ, YOUR WAY

From stylish extras that make ordinary trips feel extraordinary, to practical touches that ensure nothing gets left behind, it's your call to make.

NEXTBASE 312GW DASH CAM AND GO PACK

Records in full 1080p HD using a 6G glass lens to provide a wide 140 degree view and amazing image clarity. In-built with Wi-Fi to view your footage on your smartphone. Comes complete with SD card and carry case.

ROOF BOX AND ROOF BARS

By using the roof box in conjunction with our aluminium roof bars, you solve a common problem when transporting large, awkward objects such as skis, snowboards, pushchairs and golf bags that don't fit into the luggage compartment of a fully seated car. With its spacious 380 litres of volume, it can comfortably carry up to 75 kg in total stability.

THERMO-ELECTRIC COOLING BOX (15L)

Its utility and versatility make this ideal for travelling, whether it's long journeys or for food that needs to be kept cool when doing your daily shop. It cools your food quickly and uniformly - drinks, fruit and other food are always within easy reach on hot summer days. When switched to Thermobox mode, it allows you to warm up snacks or keep them at the temperature you require.

Images are for illustrative purposes only. Please ask your ŠKODA Retailer for further information. All the above accessories can only be added to the vehicle after production at a ŠKODA Retailer and some may include an additional fitting cost.

PROTECTION PACK

Avoid mud splashes and debris around your KODIAQ's wheels and sills, as well as in the boot and underfoot. Included in the pack are mudflaps, front and rear floor mats (either textile or rubber), a boot liner for 5 seat vehicles and a netting system for the luggage compartment for 7 seat vehicles. All of these items can also be purchased separately.

RUNNING BOARDS

To enhance the luxury look, our exclusive, stylish stainless steel, anti-slip running boards make it easier to get in and out of your car, as well as loading various objects stored in the roof box. To guarantee a high load capacity (up to 300 kg) and resistance to damage, they are made from metal and are designed to ensure that their contact surface perfectly copies that of the door sills.

REAR SEAT PROTECTION AND DOG SAFETY BELT

Forget worrying about the cleanliness of your car, particularly when transporting your pet. This easy-to-clean seat protector is sufficiently sized to cover the back seats. It is waterproof, washable and has an anti-slip treatment for your pet's safety. The safety belt keeps your dog safe and is available in a variety of sizes.

MUDFLAPS

Mudflaps prevent stones, grit and road spray from ruining your precious bodywork. This custom design is moulded to fit snugly into the contours of the wheel arches.

NETTING SYSTEM

This optional set of nets comes in a variety of sizes increasing the flexibility of the luggage space and preventing objects from sliding around.

FLOOR MATS

These quality mats will keep your carpeted floors looking pristine. Thanks to quick release floor poppers, they won't slip around beneath your feet. They come in textile fabric but rubber versions are also available for the more outdoorsy types.

REVERSIBLE BOOT LINER

Keep your car's boot immaculate with this easy-to-clean boot liner. Fabric on one side and plastic on the other, it fits perfectly onto the car's floor cushion and protects your boot space when transporting dirty or wet items.

BUILD YOUR PERFECT KODIAQ

Now it's your turn to add a distinctly personal twist to the KODIAQ. After all, why should everyone else have all the fun?

With our handy online car configurator you can choose your engine, colour and equipment to create your perfect KODIAQ in minutes. Whether you go for all-out luxury and state-of-the-art technology, or favour more practical features instead, the choice is yours.

Company car tax is based on the vehicle's carbon dioxide (CO_2) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. To help you calculate your tax liability, please see the table below.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO_2 emissions of the vehicle for the current tax year 2018/2019.

BiK calculation example
KODIAQ SE 1.5TSI 150PS ACT (5-seat)

P11D value		**£25,510.00**
Company car BiK tax based on CO_2 emission level		**30%**
Taxable BiK (for 2018/2019 tax year):	30% of £25,510.00	**£7,653.00**
Annual company car tax (2018/19)		
20% income tax	20% of £7,653.00	**£1,530.60**
40% income tax	40% of £7,653.00	**£3,061.20**
Monthly company car tax (2018/19)		
20% income tax	£1,530.60 divided by 12 months	**£127.55**
40% income tax	£3,061.20 divided by 12 months	**£255.10**

Additional information

ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new ŠKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

Finance subject to status. 18s plus. Terms and conditions apply. ŠKODA Financial Services.

ŠKODA Car Insurance

Complimentary drive away cover

You can enjoy your new car from day one, thanks to our complimentary five day insurance. To activate, simply call **0345 877 6348**. Subject to eligibility. If you are eligible we will provide you with an annual quotation giving you the option to purchase 12 months cover, so you can have continued peace of mind for a whole year after your five day cover ends.

Annual car insurance

Our annual cover is designed specifically for ŠKODA drivers and includes the following benefits at no extra cost:

- Repairs carried out by ŠKODA trained technicians using ŠKODA genuine parts and paints when repaired by a ŠKODA approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit **insurewithskoda.co.uk** or alternatively call us on 0345 246 9091.

We're available Monday to Friday 8am-8pm and Saturday 9am-5pm.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first two services for one payment of just £279 or 18 monthly payments of £15.50. The service plan includes a maximum of one oil service and one oil and inspection service. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your KODIAQ, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

> Driven fewer than 10,000 miles per annum.
> Mainly short journeys, driven mostly in towns or cities.
> High vehicle loading/towing and frequent hill climbs.
> Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Roadside assistance

A three year, European-wide, unlimited mileage ŠKODA Assistance policy comes free of charge with every new ŠKODA. There's a team of specially trained technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local ŠKODA Retailer.

Customer services

Talk to us on **03330 037 504.** No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open Monday to Friday from 8.30am-5.30pm. You can also talk to one our advisors via live chat, on Monday to Friday from 8am-8pm.

A network that's here to help

You can be sure that as a ŠKODA customer, your retailer will look after you from the moment you walk through the door and throughout the life of your ŠKODA. Your KODIAQ will be serviced and maintained by specially trained ŠKODA technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the ŠKODA network will be there for you.

Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Higher Rate Mobility Component of the Disability Living Allowance (HRMC of DLA), Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC of PIP), War Pensioners' Mobility Supplement (WPMS) or Armed Forces Independence Payment (AFIP).

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local ŠKODA Retailer.

Warranty

Peace of mind with a ŠKODA warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner.
Your KODIAQ also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

Owning a ŠKODA

Three-year vehicle warranty from new
First two years unlimited mileage.
Third year with 60,000 mile limitation, whichever is sooner.
Four to five years Optional Extended Warranty.

Three-year paint warranty
Up to 12 years body protection.

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:
> Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
> Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
> Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
> Damage caused by an accident.
> Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
> Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at:

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate. *Vehicles with a list price of over £40,000 when new pay an additional rate of £310 per year on top of the first year and standard rate, for a further four years (total of five years). **This rate applies to diesel vehicles that do not meet RDE2 Standards.

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO_2) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO_2 figures may differ on these vehicles if taken from current ŠKODA UK stock.

Figures shown in this document are for comparability purposes; only compare fuel consumption and CO_2 figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO_2 figures (known as WLTP). The CO_2 figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see http://www.skoda.co.uk/owners/wltp-info or consult your retailer.

For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your retailer.

The information in this document referring to specification, design, equipment, material and external appearance relates to the time at which this brochure was created.

Whilst every effort is made to ensure its accuracy, the information in this document is not binding and is subject to alteration. Some images within this document depict left hand drive models, with both standard and optional equipment shown. Please confirm exact specifications, prices and colour availability with your ŠKODA Retailer who will be notified of any changes as they occur.

A TEST OF METAL

When it comes to checking the quality of our alloy wheels, we're unapologetically testing. First they have to prove their resistance to corrosion, climatic influences and driving strain. Then the layer of heat-resistant paint is tested over and over for strength and durability.

INFOTAINMENT

INFOTAINMENT

In our always-on world, connectivity on the go is essential. These Genuine Accessories have been designed to open up a whole new world of entertainment, information and communication, turning your Kodiaq into a fully interconnected car.

CARSTICK

This ingenious device turns your car into a Wi-Fi hotspot in seconds, enabling you to take full advantage of the ŠKODA Connect system without having to use your smartphone's internet connection. Simply pop in a suitable SIM card, connect it to the USB slot in front of the gear lever and set it up via the navigation system. You can then connect any Wi-Fi enabled device to your own onboard network. (000 051 409C) Available in combination with Amundsen Navigation system only.

MAP AND SOFTWARE UPDATES

It's important to know the latest shortcuts to take, places to park and routes to avoid. That's why we've created our Infotainment Portal, which enables you to quickly update and maintain your onboard systems helping you to save both time and money.

Simply head to **infotainment.skoda-auto.com**, enter your VIN code and the state-of-the-art system will identify any updates you need and give you the option to download them from the comfort of your home. What's more, if you buy a new ŠKODA vehicle or navigation system, you'll get free map updates of Europe for the first three years.

COMPATIBILITY LIST

This application shows which of your external devices, for example your smartphone or tablet, are compatible with the Kodiaq's many infotainment features such as SmartLink+.

PLAN AHEAD WITH MYDESTINATIONS

With the **MyDestinations** online tool, you can set up any attractions and places of interest you want to visit on an upcoming adventure well in advance of leaving the house. Once you're finished, simply import the list to you navigation device and you'll be ready to go the moment you jump behind the wheel.

PUTTING OUR FOOT DOWN

We've always had a passion for testing at ŠKODA. It's ensures we're forever improving, refining and inventing. A perfect example is the heel test we carry out on every one of our textile floor mats. It replicates the action of the driver's foot on the accelerator, sinking the heel 5mm into the floor mat in both dry and wet conditions at an angle of 45°. An additional long driving test is also carried out, this time placing the focus on the brackets fixing the front floor mats to the car upholstery. It's only as a result of both tests that the perfect balance between driver comfort and safety is achieved.

TRANSPORT

TRANSPORT

The class-leading interior space may grab the headlines, however our designers are equally famous for thinking outside the boot. Bike racks, roof boxes and tow bars make short trips and long breaks equally simple, giving you the freedom to take everything that's important to you.

DELIVERING UNDER PRESSURE

The thought of your luggage or bikes going on a trip of their own is completely unthinkable. That's why our racks undergo a number of demanding tests, from corrosion resistance to loading capacity and durability. They're also subjected to simulated crash conditions, where a rack loaded with 90kg must remain on the car body under a force of approximately 12G.

To ensure the maximum safety of your smallest passengers, our child seats feature variable mounting options that allow you to transport your child both with and against the direction of travel, depending on their position in the car.

PRACTICAL AND VARIABLE

The intelligent design of these child seats allows your child to be seated both in the back of the car, but also on the front passenger's seat where you can keep a closer eye on them. The seats also cleverly adapt to the ever-changing size of your children, making them a great long-term investment.

PERFECTLY VERIFIED

All our child seats comply with European safety regulations (EHK 44.04) and have been rigorously tested. Their high quality and safety is further highlighted by their excellent results in the Euro NCAP impact test, together with successful non-combustibility testing, harmful substance ratings and cover quality.
