**ŠKODA**

Effective: November 2018

# SUPERB – PERFECTION REIMAGINED

The challenge was to take an award-winning model and completely revolutionise it in terms of technical sophistication and design, enhance the functionality and refine it's beauty, whilst retaining its signature styling and luxurious interior.

## Introducing the ŠKODA SUPERB.

Reimagined and reenergised it remains our most spacious, prestigious and technically advanced model. It also remains award-winning, having picked up '**Best Family Car**' in the AutoTrader Awards 2018 and '**Best Estate Car**' at What Car? Car of the Year 2018 Awards.

# COMMANDS ATTENTION FROM EVERY ANGLE

Authenticity, precision and purpose. The SUPERB's design conveys each of these in style. The perfectly balanced exterior proportions, sporty silhouette and dynamic horizontal lines have been enhanced, complemented as ever by razor-sharp angles throughout.

### REAR LED LIGHTS

The SUPERB's rear lights also feature signature crystalline styling, with the reverse light and the LED part of the fog lights hidden behind decorative 'gems' for added distinction.

### PANORAMIC SUNROOF

This electrically adjustable panoramic sunroof and blind provides extra sunlight and fresh air at the simple touch of a button.

### FRONT LIGHT SYSTEM

This adaptive system adjusts light intensity to match the conditions, providing a wider lighting field for city driving and a longer reach for motorways. When oncoming traffic is detected, it automatically adjusts to prevent dazzling others.

## VIRTUAL COCKPIT

The high resolution 10.25" digital display replaces the traditional instrument dials and can be customised with 5 views (Classic, Basic, Extended, Modern and Sports).

# INNOVATION WITH INTENT

A car interior needs to be more than spacious and inviting, it needs to be intuitive too. Where everything is designed to enhance the drive. Whether that's the position of the controls, the precision of the dashboard or the clever use of ambient lighting.

## BOARDING SPOTS

Another bright idea is the boarding spots, integrated into the door mirrors, allowing you to see where you're stepping when it's dark outside.

## TRI-ZONE CLIMATE CONTROL

This intelligent system enables different temperatures to be set for the driver, front and rear passengers. It's also fitted with a humidity sensor to reduce windscreen misting.

## LED INTERIOR LIGHT PACK

Selecting the SUPERB's LED ambient lighting is anything but a black and white decision. From the understated to the bold, 10 colour options are available.

# CONNECTIVITY TO GO WHEREVER YOU GO

By enabling you to be fully online on the move, the SUPERB helps you stay connected wherever your journey takes you. Thanks to its smart assistance systems, you'll also know the best places to park, shortcuts to take and routes to avoid.

## SMARTLINK+

From taking calls to switching between your favourite playlists, SmartLink+ enables you to safely use your smartphone through the infotainment system. It also includes SmartGate, which enables you to record and analyse your drive.

## NAVIGATION SYSTEM

The Columbus satellite navigation with 9.2" touchscreen display and integrated Wi-Fi will get you from A to B, but why stop there? With Bluetooth®, SmartLink+, DVD drive and two SD card slots, it offers complete connectivity on-the-go.

## CANTON SOUND SYSTEM

Premium German sound engineering, tailor-made to your SUPERB. The CANTON Sound System delivers powerful clarity from 12 speakers around the car.

## STAY CONNECTED

The new ŠKODA Connect system turns the Superb into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates.

## FILL YOUR BOOTS

With one of the best luggage capacities in its class, you'll never have to compromise on what your pack. The Estate offers an impressive capacity of 660 litres, which extends to 1,950 litres with the rear seats folded down. That means ample room for all your business, pleasure and practical essentials.

# ALWAYS FIT FOR PURPOSE

Famous for providing exceptional space, the SUPERB will help you make the most of it, thanks to a host of innovative features that celebrate the beauty of functionality.

## JUMBO BOX

The Jumbo Box is extremely handy for holding cups, as well as storing your gadgets, house keys and books.

## FOLDING HOOKS

Ideal for hanging your shopping bags on, these handy hooks will keep breakages and spillages to a minimum.

## SPACIOUS STORAGE

Several storage compartments have been included in the interior to help you keep it looking its best. Some can also be air-conditioned, making it perfect for storing chilled refreshments.

# BIG ON THOUGHTFUL TOUCHES

## VIRTUAL PEDAL

On-hand when none of yours are free. Simply use a 'kick motion' underneath the luggage compartment to open the boot.

Hidden compartments for your valuables. Protection against the elements. The best ideas aren't always the biggest, they're the ones that make your life easier.

### ELECTRICALLY OPERATED BOOT

Open and close the boot without ever having to touch it. You can also adjust the height of the open position to suit your needs.

### REAR-VIEW CAMERA

Located on the boot handle, the rear-view camera makes light work of reverse parking, with an integrated washer to keep obstacles visible.

### ICE SCRAPER

Mounted out of sight on the fuel cap this handy ice scraper is ideal for frosty mornings.

### LED TORCH

Always ready to shed some light on your SUPERB, this removable LED torch recharges while the engine is running.

# LOOKING OUT FOR YOUR SAFETY

The easier your time behind the wheel, the safer your drive will be. It's why the SUPERB boasts a wide range of smart assistance systems to make everyday driving scenarios simpler, not to mention seven airbags as standard for added peace of mind. The car has also been awarded the maximum five-star safety rating by Euro NCAP.

## ADAPTIVE CRUISE CONTROL

Adapt your speed automatically with Adaptive Cruise Control, which uses the radar in the front grille to maintain a constant distance from the vehicle in front at speeds of 15mph or more.

## PARK ASSIST

This function removes the stress of bay and parallel parking by identifying if the parking spot is big enough before automatically steering into the space.

## BLIND SPOT DETECT

An extra set of eyes on the road that monitors the blind spots allowing you to manoeuvre safely.

## LANE ASSIST

Helping you stay in the intended lane of travel, Lane Assist uses a camera to detect road markings, and supports steering if you veer too close to the edge.

## ON THE LOOKOUT

With a host of camera and radar-based assistance systems making continual assessments, you'll have peace of mind - wherever you're driving.

# HIDDEN STRENGTH

The SUPERB's bold styling and class-leading space may grab the headlines, but the car's inner workings tell an equally compelling tale. It's here you'll find the new generation of direct-injection turbocharged engines. All share the same reliability, yet each has its own distinctive story to tell. One best heard on the open road.

## FUEL-EFFICIENT ENGINES

Whether you favour petrol or diesel, you'll find a clever engine to suit. Seven are available to choose from, each delivering a comfortable and compelling driving.

## DIRECT SHIFT GEARBOX (DSG)

DSG automatically adapts to your driving style, whilst taking road conditions into account. It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

## DYNAMIC CHASSIS CONTROL

This feature lets you switch between four driving modes, giving you added comfort, power or grip, depending on your requirements.

# SUPERB S

Packed with features and thoughtful touches, this entry-level trim remains one of the best-equipped luxury family cars around.

## SUPERB SPORTLINE

While the SportLine's angular contours and sharp dynamic lines are inspired by the iconic SUPERB design, it's the pulse-racing sports styling that sets it apart from its peers. Features include the gloss blackfront grille, darkened fog lamps and distinctive exterior and interior styling.

### SUPERSPORT STEERING WHEEL

The three-spoke leather supersport multifunction steering wheel with silver stitching puts everything you need on your drive at your fingertips. DSG models also have the added feature of gearshift paddles.

### EXTERIOR BADGING

The distinctive SportLine badge sits proudly above both front wheel arches.

### PERFORMANCE MONITOR

Exclusive to SportLine, the Performance Monitor helps provide driver information such as oil and coolant temperature and even G-force acceleration.

### ALCANTARA® SPORTS SEATS

The black Alcantara® sports seats with silver diamond stitching further enhances the interior's boldness, with the driver's seat being electrically adjustable.

# SUPERB SPORTLINE PLUS

Combining the striking design of the SportLine, with the added benefit of a whole raft of exciting extra equipment, say 'hello' to the new SportLine Plus. With heated front seats, blind spot detection and progressive dynamic steering, this car takes the SportLine to a whole new level.

## ALLOY WHEELS

Enhancing the sportiness of the SportLine's exterior are the 19" Vega anthracite alloy wheels.

### COLUMBUS NAVIGATION

The Columbus satellite navigation with 9.2" touchscreen display and integrated Wi-Fi puts connectivity first. Complete with Apple CarPlay™ and Android Auto™ technology means that you're always connected to those who matter most.

### BLIND SPOT DETECTION

An extra set of eyes on the road that monitors the blind spots allowing you to manoeuvre safely.

### HEATED SEATS

Alcantara® sports seats with heat functionality promise to keep you warm in the winter months with three different levels of warmth.

### PROGRESSIVE DYNAMIC STEERING

Exclusive to SportLine Plus, Progressive Dynamic Steering alters the precision and response of the steering column, making it easier to navigate every situation, from twisting roads to narrow car parks.

# SUPERB LAURIN & KLEMENT

While inspired by our past, this luxury level is the perfect reflection of our present day commitment to designing cars driven by something different. A true celebration of style, comfort and elegant functionality.

#### EXTERIOR BADGING

An elegant reminder of ŠKODA's founders, the original Laurin & Klement badge appears on both front wings.

#### ALLOY WHEELS

Enhance the style of the exterior further with optional 19" Trinity alloy wheels in anthracite.

#### DOOR SILL STRIPS

Proof that practicality can still be striking, the door sill strips feature the original Laurin & Klement inscription.

#### THREE-SPOKE STEERING WHEEL

The leather multifunction sports steering wheel with chrome elements lets you take control of your music and phone without ever taking your hands off the wheel.

#### MASSAGE FUNCTION FOR DRIVERS SEAT

Optional driver's seat massage functionality takes the stress out of driving, allowing you to travel in ultimate comfort.

#### DISTINCTIVE INTERIOR

The sophisticated leather interior comes in a choice of three colours, with perforated leather as an option.

# TIME TO TAKE THE WHEEL

Before taking the SUPERB out for a spin on the open road, don't miss the opportunity to add your own personal spin to the way it looks, sounds and even performs.

## On The Road and P11D pricing - continued

Company car tax is based on the vehicle's carbon dioxide emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. To help you calculate your tax liability, please see the table below.

### P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

### BiK (Benefit in Kind)

The BiK percentage value is based on the CO<sub>2</sub> emissions of the vehicle for the current tax year 2018/2019.

<b>BiK calculation example</b>		
<b>SUPERB S Hatch 1.5 TSI 150PS</b>		
<b>P11D value</b>		<b>£21,910.00</b>
<b>Company car BiK tax based on CO<sub>2</sub> emission level</b>		<b>25%</b>
<b>Taxable BiK (for 2018/2019 tax year):</b>	25% of £21,910.00	<b>£5,477.50</b>
<b>Annual company car tax (2018/19)</b>		
<b>20% income tax</b>	20% of £5,477.50	<b>£1,095.50</b>
<b>40% income tax</b>	40% of £5,477.50	<b>£2,191.00</b>
<b>Monthly company car tax (2018/19)</b>		
<b>20% income tax</b>	£1,095.50 divided by 12 months	<b>£91.29</b>
<b>40% income tax</b>	£2,191.00 divided by 12 months	<b>£182.58</b>

Further details:

Wi-Fi with LTE internet is activated by inserting a SIM card into the slot in the glovebox, or connecting a smartphone. Passengers can then connect to the SUPERB's Wi-Fi hotspot and browse the internet wirelessly on their individual devices.

\* An external data source is required to enable the Wi-Fi hotspot services. Only available for mobile phone contracts which include a data option with the use of LTE, if LTE usage is required. Usage will only be available within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the mobile phone or SIM card contract). Due to potentially high data volumes, a contract including an unlimited or high usage data plan is strongly recommended.

† High-speed LTE internet is activated by inserting a SIM card into the slot in the glovebox. Passengers can then connect to the SUPERB's Wi-Fi hotspot and browse the internet wirelessly on their individual devices.

## Additional information

### ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new ŠKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

Finance subject to status. 18s plus. Terms and conditions apply. ŠKODA Financial Services.

### ŠKODA Car Insurance

#### Complimentary drive away cover

You can enjoy your new car from day one, thanks to our complimentary five day insurance. To activate, simply call **0345 877 6348**. Subject to eligibility. If you are eligible we will provide you with an annual quotation giving you the option to purchase 12 months cover, so you can have continued peace of mind for a whole year after your five day cover ends.

#### Annual car insurance

Our annual cover is designed specifically for ŠKODA drivers and includes the following benefits at no extra cost:

- Repairs carried out by ŠKODA trained technicians using ŠKODA genuine parts and paints when repaired by a ŠKODA approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit [insurewithskoda.co.uk](http://insurewithskoda.co.uk) or alternatively call us on 0345 246 9091.

We're available Monday to Friday 8am-8pm and Saturday 9am-5pm.

### Ensurance

#### Free accident and repair cover

Ensurance works alongside your existing comprehensive motor insurance policy, no matter who you are insured with, to help get

you back on the road as smoothly as possible. Better still, it's free for three years and is available on both new and older models.

To benefit from Ensurance you'll need to activate your free cover, which takes less than a minute. Remember, in the event of an accident, to call us first and Ensurance will help to deal with the rest.

For more information visit: [insurewithskoda.co.uk](http://insurewithskoda.co.uk)

Ensurance from ŠKODA Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. ### Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

#### Service Plan for cars under a year old

This covers your first two services for one payment of just £342 or 18 monthly payments of £19.00. The service plan includes a maximum of one oil service and one oil and inspection service. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230.

### Service intervals

When you order your SUPERB, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

## Additional information - continued

### Roadside assistance

A three year, European-wide, unlimited mileage ŠKODA Assistance policy comes free of charge with every new ŠKODA. There's a team of specially trained technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local ŠKODA Retailer.

### Customer services

Talk to us on **03330 037 504**. No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open Monday to Friday from 8.30am-5.30pm. You can also talk to one our advisors via live chat, on Monday to Friday from 8am-8pm.

#### A network that's here to help

You can be sure that as a ŠKODA customer, your retailer will look after you from the moment you walk through the door and throughout the life of your ŠKODA. Your SUPERB will be serviced and maintained by specially trained ŠKODA technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the ŠKODA network will be there for you.

### Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Higher Rate Mobility Component of the Disability Living Allowance (HRMC of DLA), Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC of PIP), War Pensioners' Mobility Supplement (WPMS) or Armed Forces Independence Payment (AFIP).

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local ŠKODA Retailer.

### Warranty

#### Peace of mind with a ŠKODA warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner.

Your SUPERB also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

#### Owning a ŠKODA

##### Three-year vehicle warranty from new

First two years unlimited mileage.

Third year with 60,000 mile limitation, whichever is sooner.

Four to five years Optional Extended Warranty.

##### Three-year paint warranty

Up to 12 years body protection.

### Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

### Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at:

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate. \*Vehicles with a list price of over £40,000 when new pay an additional rate of £310 per year on top of the first year and standard rate, for a further four years (total of five years). \*\*This rate applies to diesel vehicles that do not meet RDE2 Standards.

### OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

### VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO<sub>2</sub>) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO<sub>2</sub> figures may differ on these vehicles if taken from current ŠKODA UK stock.

Figures shown in this document are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO<sub>2</sub> figures (known as WLTP). The CO<sub>2</sub> figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see <http://www.skoda.co.uk/owners/wltp-info> or consult your retailer.

For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your retailer.

The information in this document referring to specification, design, equipment, material and external appearance relates to the time at which this brochure was created.

Whilst every effort is made to ensure its accuracy, the information in this document is not binding and is subject to alteration. Some images within this document depict left hand drive models, with both standard and optional equipment shown. Please confirm exact specifications, prices and colour availability with your ŠKODA Retailer who will be notified of any changes as they occur.

# THE SMART WAY TO PERSONALISE

While every Genuine Accessory in our range is different, all share the same three characteristics – smart compatibility, smart reliability and smart safety. With that in mind, here are just a few of our favourite accessories that reflect our genuine commitment to quality.

Pack all the skis and snowboards for your family vacation inside the spacious roof box.

Make your drive more enjoyable for rear passengers by equipping your car with the multimedia holder, which enables you to securely fit a device to the rear armrest or the front seat backrest.

If you like mixing elegance with sportiness, you'll love the 19" Supernova brushed light-alloy wheels.

Is cycling your first love? Is ŠKODA your favourite four-wheel brand? Then this ŠKODA bicycle is made for you.

Protect the door sills from damage by opting for the decorative yet practical door sill strips with backlight and Superb inscription.

A woman in athletic wear is running on a city street. She is wearing a dark blue tank top and a light-colored skirt. The background shows a large glass building and a cityscape. The text 'SPORT & DESIGN' is overlaid on the right side of the image.

# SPORT & DESIGN

Precision, dynamism, elegance. The Superb's crystalline design conveys each of these in style. With the addition of alloy wheels and decorative trimmings, you'll soon be able to add sportiness to the list.

# SPORT & DESIGN

While increasing the sports credentials of your Superb may begin with the alloys, the following Genuine Accessories enable you to further enhance the dynamic styling across the entire car. Whether adding chrome embellishments to the rear, or honing the foot pedals and door sills inside, it's time to turn your car into an athlete.

## MAP AND SOFTWARE UPDATES

It's important to know the latest shortcuts to take, places to park and routes to avoid. That's why we've created our Infotainment Portal, which enables you to quickly update and maintain your onboard systems helping you to save both time and money.

Simply head to [infotainment.skoda-auto.com](http://infotainment.skoda-auto.com), enter your VIN code and the state-of-the-art system will identify any updates you need and give you the option to download them from the comfort of your home. What's more, if you buy a new ŠKODA vehicle or navigation system, you'll get free map updates of Europe for the first three years.

## SMARTGATE

SmartGate allows you to record and analyse your drive to help you cut fuel costs and extend the life of your Superb. It works by sending real-time data on every aspect of your drive to your smartphone or tablet, allowing you to analyse it and even share it with friends and family. It also includes the MFA Pro system, which records your acceleration, rpm, light settings and more. Think of it as a 'black box' for your Superb. (5EO 063 218)

## SMARTLINK+

From taking emergency calls to switching between songs, SmartLink+ enables you to safely use your smartphone through the infotainment system. The SmartLink+ activation key incorporates three interfaces: MirrorLink, Apple CarPlay and Android Auto. (000 054 830A)

## ŠKODA DRIVE APP

This handy app provides crucial information regarding the efficiency of your drive. The ŠKODA Drive Portal widens the possibilities further by letting you manage information and monitor driving effectiveness and costs of multiple cars equipped with the SmartGate system.

### Drive Activity Assistant

ŠKODA Genuine Accessories

This intelligent safety feature evaluates data from the power steering sensors to detect driver fatigue. The moment any tiredness is detected it sends an audible and visual signal, recommending you take a break.

# COMFORT & UTILITY

Whether heading out on a business trip, family escape or a road trip with your four-legged best friend, these accessories will increase the comfort of everyone onboard. Furthermore, they'll ensure you make the most of every inch, whether that's packing it with golf clubs, loading up with camping gear or filling it with chew toys.

From splatter-saving mud flaps to stain-saving floor mats, keep your Superb looking its best, both inside and out, with this selection of practical accessories.

#### BEST FOOT FORWARD

When it comes to testing, you'll never find us putting our feet up. You will however find us putting them down, as we carry out a heel test on every one of our textile mats. This test replicates the action of the driver's foot on the accelerator, sinking the heel 5mm into the floor mat in both dry and wet conditions at an angle of 45°. An additional long driving test is also carried out, this time placing the focus on the brackets fixing the front floor mats to the car upholstery. It's only as a result of both tests that the perfect balance between driver comfort and safety is achieved.

# TRANSPORT

With one of the best luggage capacities in its class, you'll never have to compromise on what you pack into your Superb. However, larger items that won't easily fit in the boot can be effortlessly fixed to the roof with the addition of a roof rack. Still got more to carry? Then perhaps a tow bar is in order, after all, the car's powerful engine is more than up to the challenge of pulling a trailer.

# ROOF RACKS, HOLDERS AND BOXES

With the simple addition of the basic roof rack, your Superb suddenly transforms from a family car into an adventure wagon. Bikes, skis and luggage can all be easily mounted to the roof rack, which is 100% compatible with the Superb. You'll also avoid the potential safety hazards that can occur by fitting non-genuine ŠKODA accessories.

## HANDLE WITH CARE

Our racks undergo a number of demanding tests, from corrosion resistance and loading capacity to durability and water tightness. They're also subjected to simulated crash conditions, where a rack loaded with 90kg must remain on the car body under a force of approximately 12G. After all, the last thing we'd ever want is your luggage or bikes to go on a trip without you.

Rear wiring pack for Superb Estate  
(3V0 054 634C)

To ensure the maximum safety of your smallest passengers, our child seats feature variable mounting options that allow you to transport your child both with and against the direction of travel, depending on their position in the car.

### PRACTICAL AND VARIABLE

The intelligent design of these child seats allows your child to be seated both in the back of the car, but also on the front passenger's seat where you can keep a closer eye on them. The seats also cleverly adapt to the ever-changing size of your children, making them a great long-term investment.

### PERFECTLY VERIFIED

All our child seats comply with European safety regulations (EHK 44.04) and have been rigorously tested. Their high quality and safety is further highlighted by their excellent results in the Euro NCAP impact test, together with successful non-combustibility testing, harmful substance ratings and cover quality.

Watch the child seat testing video.
