Best 7 Seater

**2019**

**WINNER**

Effective: 3rd December 2019

As ŠKODA's first ever seven-seater SUV, the KODIAQ comes with more as standard. More opportunities to explore unknowns, escape the norm and banish boredom on exhilarating 4x4 family adventures. More ways to rediscover and reconnect with nature.

*So jump in and break free.*

Models shown are not UK specification.

# DESIGNED TO MAKE A STATEMENT

The KODIAQ isn't just a car built to take on the toughest terrains with ease. Its tornado lines, precise edges and crystalline influences add to its distinguished style.

## FRONT LIGHT SYSTEM

This adaptive system adjusts light intensity to match the conditions, providing a wider lighting field for city driving and a longer reach for motorways. When oncoming traffic is detected, it automatically adjusts to prevent dazzling others.

## REAR LED LIGHTS

Designed to be seen in every sense, these rear LED lights feature ŠKODA's distinctive C-shape crystalline style with their prominent and eye-catching multi-faceted finish.

## PANORAMIC SUNROOF

This electrically adjustable panoramic sunroof and blind provides extra sunlight and fresh air at the simple touch of a button.

## WHEELS

Ranging from 18" to 20", a choice of alloy wheel options are available, giving you the opportunity to uniquely personalise the KODIAQ's distinctive exterior.

Models shown are not UK specification. Some of the equipment shown is optional.

# FIRST-CLASS TRAVEL FOR UP TO SEVEN PASSENGERS

With many clever features designed to make your life just a little easier, the only thing not packed into the KODIAQ's stylish interior are your passengers. Available with up to seven seats.

Models shown are not UK specification. Some of the equipment shown is optional.

## TRI-ZONE CLIMATE CONTROL

This intelligent system enables different temperatures to be set for the driver, co-driver and rear passengers. It's also fitted with a sun sensor and humidity sensor to reduce windscreen misting.

## PERSONALISATION OPTIONS

The infotainment system enables different drivers to save their individual preferences, from seat positioning and driving mode to the choice of music on the radio.

## LED INTERIOR LIGHT PACK

Selecting the KODIAQ's LED ambient lighting is anything but a black and white decision. From the understated to the unapologetically bold, ten colour options are available.

## DIGITAL VOICE ENHANCEMENT

Particularly handy on noisy roads, this innovative feature transmits the voices of those in the front seats to rear seat occupants in real time through the infotainment system.

# MAKE THE UNEXPECTED A FAMILY TRADITION

Even when tackling extreme terrains, every twist and turn is easier with off-road mode, providing hill-hold control, descent and braking assistance.

Models shown are not UK specification. Some of the equipment shown is optional.

## FUEL-EFFICIENT ENGINES

Whether you favour petrol or diesel, you'll find a clever engine to suit.

## DYNAMIC CHASSIS CONTROL

This feature lets you switch between six driving modes, giving you added comfort, power or grip, depending on the terrain.

## FOUR-WHEEL DRIVE

The 4x4 system is designed to smoothly distribute the torque between front and rear axles automatically, to help you maintain control and stability.

## DIRECT SHIFT GEARBOX (DSG)

DSG automatically adapts to your driving style, whilst taking road conditions into account. It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

# CONNECTIVITY TO GO WHEREVER YOU GO

By enabling you to be fully online on the move, the KODIAQ helps you stay connected wherever your adventure takes you. Thanks to its smart assistance systems, you'll also know the best places to park, shortcuts to take and routes to avoid.

## ŠKODA CONNECT

The new ŠKODA Connect system turns the KODIAQ into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates. With Proactive Services the car will contact your ŠKODA Retailer to arrange a service. Finally, Emergency Call will contact the emergency services in the event of an accident to get you the help you need.

[Click here to go to ŠKODA Connect.](#)

## SMARTLINK+

SmartLink+ enables you to connect your smartphone through the infotainment system with Apple CarPlay™ and Android Auto™ as standard across the range.

## NAVIGATION SYSTEM

The Columbus satellite navigation with 9.2" touchscreen display and integrated Wi-Fi will get you from A to B, but why stop there? With its Bluetooth®, SmartLink+ and Wi-Fi capability, it offers more connectivity on-the-go.

## CANTON SOUND SYSTEM

Premium German sound engineering, tailor-made to your KODIAQ. The CANTON Sound System delivers powerful clarity from ten speakers around the car.

## VIRTUAL COCKPIT

Put all the information you need right in front of your eyes with the customisable 10.25" digital display. It replaces the traditional instrument dials and can be customised with four views (Classic, Basic, Extended and Modern). A fifth Sports view is available for SportLine and vRS models.

Images shown may not be UK specification. Some of the equipment shown is optional.

# AN INTERIOR FOR LOVERS OF WIDE OPEN SPACE

There’s always room for more toys, more snacks and the occasional four-legged friend. After all, life’s too short to let anything ever get in the way of quality family time away. Especially a lack of space.

**JUMBO BOX**  
Equipped with cup holders and handy storage compartments, the Jumbo Box will store your gadgets, house keys and books.

**SPACIOUS STORAGE**  
Several spacious storage compartments have been included in the interior to help you keep it looking its best. Some can also be air-conditioned, making it perfect for storing chilled refreshments.

## MORE ROOM TO PLEASE

With one of the best luggage capacities in its class, you no longer need to compromise on what you pack. With the rear seats folded (five seat versions), there’s a remarkable 2,065 litres of space available. That means ample room for everything that’s important to you. The remote release button makes folding the rear seats easy.

Models shown are not UK specification.

DOOR EDGE PROTECTION

All side doors can be fitted with plastic strips that eject upon opening and cover the edge of the door. Ideal when you're in a tight parking spot.

Models shown are not UK specification. Some of the equipment shown is optional.

CLEVER DESIGN  
WITH A HUMAN  
TOUCH

At ŠKODA we believe the best ideas are those that make our lives simpler. That's why the KODIAQ is full of practical touches to ensure every trip is easy.

UMBRELLA  
STORAGE

A spot of rain will never dampen your spirits again thanks to the umbrella located in the front door.

FUEL DOOR

With fuel-fill protection, you'll never load up with the wrong fuel again. You'll also find a handy ice scraper on the fuel door for those frosty mornings.

REMOTE BOOT OPENING

When your hands are full, simply swipe your foot underneath the luggage compartment to automatically open the door. We call this the Kick Activation (Virtual Pedal), which only works when it detects your keys are in range.

CHILD SAFETY LOCKS

With a quick push of a button, you'll enjoy the peace of mind that comes from knowing the youngest adventurers onboard aren't going anywhere.

# ALWAYS LOOKING OUT FOR YOUR SAFETY

## EVERY ANGLE COVERED

Obstacles come from every direction and in all shapes and sizes. Once Area View is activated, four wide-angled cameras make you aware of the challenges immediately surrounding you, enabling you to react quickly to whatever comes your way.

## PEDESTRIAN MONITOR

Whether it's a child chasing a loose ball or an adult glued to their smartphone screen, if someone unexpectedly crosses your path the Pedestrian Monitor automatically reduces your car's speed to help prevent a collision.

## MULTI-COLLISION BRAKE

In the unthinkable event you have an accident in your KODIAQ, the Multi-Collision Brake system will automatically slow the car to help protect you from any further collisions.

## TRAVEL ASSIST

The onboard camera recognises and displays key traffic signs on the trip computer and navigation system, helping you to be safer behind the wheel.

## BLIND SPOT DETECT

An extra set of eyes on the road that monitors the blind spots allowing you to manoeuvre safely.

## HIGH BEAM CONTROL

Safer for you, kinder to others. Light Assist with High Beam Control can switch to high beam and back automatically, ensuring optimum visibility without dazzling any oncoming traffic.

## PARK ASSIST

This function removes the stress of reverse and parallel parking by identifying if the parking spot is big enough before automatically steering into the space for you.

## OFF-ROAD MODE

Downhill Assist enables you to maintain a consistent speed when tackling steep descents.

## ROUGH ROAD PACKAGE

Take on every unbeaten path thanks to the robust bumper and protective covers on the wheel arches, door sills and under the vehicle.

## SCOUT BADGE

The car features the original Scout badge on both front wings.

## ALLOY WHEELS

Turn heads and steal attention both on and off-road with the 19" Crater anthracite alloy wheels.

## STYLISH INTERIOR

The distinctive Alcantara® seats and wood finish dashboard both sport the Scout logo to further enhance the interior's boldness.

## RECOMMENDED OPTIONS

> DYNAMIC CHASSIS CONTROL

This innovative system ensures the car's suspension is constantly adapting to suit the road and driving conditions. The ride setting can be changed at the touch of a button in the centre console.

> PANORAMIC ROOF

This electrically adjustable panoramic sunroof provides extra sunlight and fresh air at the simple touch of a button.

> AREA VIEW CAMERA

# YOUR KODIAQ, YOUR WAY

From stylish extras that make ordinary trips feel extraordinary, to practical touches that ensure nothing gets left behind, it's your call to make.

### NEXTBASE 522GW DASH CAM AND GO PACK

Recording in 1440p HD, the new Nextbase 522GW Dash Cam now packs even more features into the UK's most popular dash cam brand, including built-in Amazon Alexa, HD touchscreen and Intelligent park mode - which begins recording when any physical vehicle movement is detected, keeping your vehicle safe when parked.

### RUNNING BOARDS

To enhance the luxury look, our exclusive, stylish stainless steel, anti-slip running boards make it easier to get in and out of your car, as well as loading various objects stored in the roof box. To guarantee a high load capacity (up to 300 kg) and resistance to damage, they are made from metal and are designed to ensure that their contact surface perfectly copies that of the door sills.

### ROOF BOX AND ROOF BARS

By using the roof box in conjunction with our aluminium roof bars, you solve a common problem when transporting large, awkward objects such as skis, snowboards, pushchairs and golf bags that don't fit into the luggage compartment of a fully seated car. With its spacious 380 litres of volume, it can comfortably carry up to 75 kg in total stability.

### THERMO-ELECTRIC COOLING BOX (15L)

Its utility and versatility make this ideal for travelling, whether it's long journeys or for food that needs to be kept cool when doing your daily shop. It cools your food quickly and uniformly - drinks, fruit and other food are always within easy reach on hot summer days. When switched to Thermobox mode, it allows you to warm up snacks or keep them at the temperature you require.

### NETTING SYSTEM

Its utility and versatility make this ideal for travelling, whether it's long journeys or for food that needs to be kept cool when doing your daily shop. It cools your food quickly and uniformly - drinks, fruit and other food are always within easy reach on hot summer days. When switched to Thermobox mode, it allows you to warm up snacks or keep them at the temperature you require.

### REAR SEAT PROTECTION AND DOG SAFETY BELT

Forget worrying about the cleanliness of your car, particularly when transporting your pet. This easy-to-clean seat protector is sufficiently sized to cover the back seats. It is waterproof, washable and has an anti-slip treatment for your pet's safety. The safety belt keeps your dog safe and is available in a variety of sizes.

## PROTECTION PACK

Avoid mud splashes and debris around your KODIAQ's wheels and sills, as well as in the boot and underfoot. Included in the pack are mudflaps, front and rear floor mats (either textile or rubber), and a boot liner for five seat vehicles. All of these items can also be purchased separately.

### MUDFLAPS

Mudflaps prevent stones, grit and road spray from ruining your precious bodywork. This custom design is moulded to fit snugly into the contours of the wheel arches.

### REVERSIBLE BOOT LINER

Keep your car's boot immaculate with this easy-to-clean boot liner. Fabric on one side and plastic on the other, it fits perfectly onto the car's floor cushion and protects your boot space when transporting dirty or wet items.

### FLOOR MATS

These quality mats will keep your carpeted floors looking pristine. Thanks to quick release floor poppers, they won't slip around beneath your feet. They come in textile fabric but rubber versions are also available for the more outdoorsy types.

## OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

## VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO<sub>2</sub>) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO<sub>2</sub> figures may differ on these vehicles if taken from current ŠKODA UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate. \*Vehicles with a list price of over £40,000 when new pay an additional rate of £320 per year on top of the first year and standard rate, for a further four years (total of five years). \*\*This rate applies to diesel vehicles that do not meet RDE2 Standards.

# BiK CALCULATION EXAMPLE

Based on  
**KODIAQ SE 1.5 TSI 150PS ACT (5-seat)**

<b>P11D value</b>		<b>£25,875.00</b>
<b>Company car BiK tax based on CO<sub>2</sub> emission level</b>		<b>30%</b>
<b>Taxable BiK (for 2019/2020 tax year):</b>	30% of £25,875.00	<b>£7,762.50</b>
<b>Annual company car tax (2019/20)</b>		
<b>20% income tax</b>	20% of £7,762.50	<b>£1,552.50</b>
<b>40% income tax</b>	40% of £7,762.50	<b>£3,105.00</b>
<b>Monthly company car tax (2019/20)</b>		
<b>20% income tax</b>	£1,552.50 divided by 12 months	<b>£129.38</b>
<b>40% income tax</b>	£3,105.00 divided by 12 months	<b>£258.75</b>

Company car tax is based on the vehicle's carbon dioxide (CO<sub>2</sub>) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

## P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

## BiK (Benefit in Kind)

The BiK percentage value is based on the CO<sub>2</sub> emissions of the vehicle for the current tax year 2019/2020.

## ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car’s value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new ŠKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

Finance subject to status. 18s plus. Terms and conditions apply. ŠKODA Financial Services.

## ŠKODA Car Insurance

### Complimentary ŠKODA Drive Away Insurance

We want you to start enjoying your new car from day one, which is why every new or used ŠKODA, purchased from a ŠKODA Retailer, comes with five days’ complimentary insurance. This comprehensive cover guarantees that your vehicle will be repaired in a ŠKODA Approved Repairer using ŠKODA Genuine Parts.

To set up your five day cover, please visit [insurewithskoda.co.uk/driveaway](https://insurewithskoda.co.uk/driveaway). Alternatively, you can call us on 0345 877 6348. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday. You will need the following information from your ŠKODA Retailer: vehicle model, registration number, vehicle collection date, ŠKODA Retailer number. Subject to eligibility. Five day drive away insurance cannot be used in conjunction with any other insurance offer. We will also provide you with a quote, giving you the option to purchase annual cover that comes with a 3 Year Fixed Price commitment; so you can relax knowing that if nothing changes over the next three years, the cost of your car insurance won’t increase. See below for more details.

### Annual Car Insurance with the ŠKODA 3 Year Fixed Price Commitment

You can't always predict what life has in store, but with ŠKODA 3 Year Fixed Price Car Insurance you can relax knowing the cost of your car insurance won’t increase each year. The price will only change if your circumstances do. Cover runs for 12 months at a time and you'll receive a renewal notice confirming your fixed price for the following year.

With ŠKODA Car Insurance, you’re not tied in for the three years, so if you decide you no longer want cover, you can simply let us know before your cover renews. Enjoy peace of mind, complete convenience, and relax in the knowledge you have a policy tailored

specifically for your ŠKODA. ŠKODA Car Insurance provides fully comprehensive cover, and you can enjoy the following benefits as standard:

- > 3 Year Fixed Price Commitment
- > ŠKODA Approved Repairs carried out by ŠKODA Approved Technicians using only ŠKODA Genuine Parts and Paints
- > Guaranteed courtesy car whilst yours is in for repair
- > Windscreen cover
- > Uninsured driver promise (providing we have the car registration, make, model, and driver details)
- > Personal accident cover
- > Personal belongings cover (excludes loss of money)
- > Child seat replacement

There's a lot to like about being a ŠKODA driver. Get a quote or find out more at [insurewithskoda.co.uk](https://insurewithskoda.co.uk) Alternatively, call us on 0345 246 9091. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday.

ŠKODA 3 Year Fixed Price commitment will fix your premium for 2 consecutive renewals, if you choose to renew. Fixed Price commitment will no longer apply if you or a named driver gain a motoring conviction or make a claim (excluding windscreen claims). The premium at your next renewal will change if you make an amendment to your policy and the revised premium will be fixed for the remaining renewal periods. Fixed Price commitment does not apply to optional additional products and/or Insurance Premium Tax price changes. ŠKODA Car Insurance is underwritten by U K Insurance Limited.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority, VWFS UK and U K Insurance Limited are not part of the same corporate group.

## Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

### Service Plan for cars under a year old

This covers your first two services for one payment of just £342 or 18 monthly payments of £19.00. The service plan includes a maximum of one oil service and one oil and inspection service. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

## Service intervals

When you order your KODIAQ, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

## Roadside assistance

Provided in partnership with the AA. Exclusions and terms and conditions apply.  
For details please speak to your local ŠKODA Retailer.

## Customer services

**A network that's here to help**

You can be sure that as a ŠKODA customer, your retailer will look after you from the moment you walk through the door and throughout the life of your ŠKODA. Your KODIAQ will be serviced and maintained by specially trained ŠKODA technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the ŠKODA network will be there for you.

## Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Higher Rate Mobility Component of the Disability Living Allowance (HRMC of DLA),  
Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local ŠKODA Retailer.

## Warranty

**Peace of mind with a ŠKODA warranty**

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner. Your KODIAQ also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

## Owning a ŠKODA

**Three-year vehicle warranty from new**

First two years unlimited mileage.  
Third year with 60,000 mile limitation, whichever is sooner.  
Four to five years Optional Extended Warranty.

### Three-year paint warranty

Up to 12 years body protection.

## Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight

adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

## Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at: **[skoda.co.uk/owners/accessories-and-merchandise](http://skoda.co.uk/owners/accessories-and-merchandise)**

Figures shown in this document are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO<sub>2</sub> figures (known as WLTP). The CO<sub>2</sub> figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see [skoda.co.uk/owners/wltp-info](https://www.skoda.co.uk/owners/wltp-info) or consult your retailer.

For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your retailer.

ŠKODA UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen ŠKODA Retailer.

# KODIAQ

GENUINE ACCESSORIES

ŠKODA

Effective September 2019

# DISCOVER NEW GROUNDS.

As ŠKODA's first ever seven-seater SUV, the KODIAQ was born for family adventures. For taking on new terrains and everything Mother Nature has to throw at it. Of course, it always pays to be prepared.

That's the thinking behind the ŠKODA Genuine Accessories product range. It features a host of thoughtful touches to make exploring unknowns just that little bit more practical. Not to mention more fun. You'll also find stylish extras designed to make even ordinary trips feel extraordinary.

Whether opting for practicality or luxury, inventiveness or comfort, it goes without saying that every accessory has been rigorously tested and is fully compatible with the KODIAQ.

# ALLOY WHEELS

## ADDING EMOTION TO MOTION

Few additions on a car convey the driver's personality more than the wheels. Introvert or extrovert? Sports mad or strictly business? Whatever your style, these alloy wheels are a perfect match.

# ALLOY WHEELS

When it comes to checking the quality of our alloy wheels, we unapologetically put them through their paces. First they have to prove their resistance to corrosion, climatic influences and driving strain. Then the layer of heat-resistant paint is tested over and over for strength and durability.

Prices shown are per wheel fitted. Tyres sold at additional cost.

ŠKODA Connect Lite is the intelligent, connected vehicle assistant.

It connects you to your ŠKODA that you are constantly informed about your vehicle, your driving style and your trips. Connect Lite is the connectivity solution compatible with most models manufactured from 2008.

ŠKODA Genuine Accessories

### MYŠKODA

#### UNDERSTAND YOUR ŠKODA AND ITS SERVICE NEEDS

MyŠKODA shows you the most important information about your car, such as the mileage, fuel level, pending service intervals, current warning signs and lights and the appropriate explanations and recommendations for action.

### TRIPS

#### MANAGE AND EXPORT YOUR DIGITAL LOGBOOK

Your digital logbook records all trips with start, destination, date, time, duration, distance and fuel costs per trip. You can analyse your driving style per each trip, display its statistics or export Electronic logbook for chosen time period.

### STATISTICS

#### IMPROVE YOUR DRIVING STYLE AND SAVE FUEL AT THE SAME TIME

Your driving style will be examined more precisely for maximum drive efficiency. Acceleration, braking behaviour, speed, RPM and coolant temperature will be recorded and summarized for you at a glance in a graph.

### ASSISTANCE

#### CONTACT THE 24-HOUR SERVICE HOTLINE

In case of a technical breakdown or even an accident, the app enables you to get in touch with the national 24-hour breakdown services at home or abroad, or the ŠKODA service hotline.

ŠKODA Genuine Accessories

To ensure the maximum safety of your smallest passengers, our child seats feature variable mounting options that allow you to transport your child both with and against the direction of travel, depending on their position in the car.

## PRACTICAL AND VARIABLE

The intelligent design of these child seats allows your child to be seated both in the back of the car, but also on the front passenger's seat where you can keep a closer eye on them. The seats also cleverly adapt to the ever-changing size of your children, making them a great long-term investment.

## PERFECTLY VERIFIED

All our child seats comply with European safety regulations (EHK 44.04) and have been rigorously tested. Their high quality and safety is further highlighted by their excellent results in the Euro NCAP impact test, together with successful non-combustibility testing, harmful substance ratings and cover quality.
