### **BEAUTY IN STRENGTH**

From every angle, the KAROQ's refined exterior styling leaves a powerful impression. Its sharply sculptured lines create a distinctive silhouette, complemented by ŠKODA's signature crystalline influences.

### **HOME FROM HOME**

From ambient lighting to heated seating, the KAROQ's premium interior features a host of intelligent elements that make you feel instantly at home.

#### VIRTUAL COCKPIT

10.25" digital display which replaces the traditional instrument dials and can be customised with five views (Classic, Basic, Extended, Modern and an additional Sports view for SportLine trim).

#### INTERIOR LIGHT PACK

Selecting the KAROQ's LED ambient lighting is anything but a black and white decision. From the understated to the brilliantly bold, 10 colour options are available.

#### **ELECTRIC SEAT**

Upon entering the car the driver's electric seat with memory function recognises the vehicle key used and automatically adjusts to your preferred seating position.

#### **CANTON SOUND SYSTEM**

Premium German sound engineering, tailor-made to your KAROQ. The CANTON Sound System delivers powerful clarity from 10 speakers around the car.

### CONNECTIVITY TO GO WHEREVER YOU GO

By enabling you to be fully online on the move, the KAROQ helps you stay connected wherever your adventure takes you.

Thanks to its smart assistance systems, you'll also know the best places to park, shortcuts to take and routes to avoid.

#### STAY CONNECTED

The new ŠKODA Connect system turns the KAROQ into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates. The system also offers convenient gesture control to make navigating menus and lists easier while on the move. With Proactive Services the car will contact your ŠKODA Retailer to arrange a service. Click here to go to ŠKODA Connect.

#### **SMARTLINK**

Smartlink enables you to connect your smartphone through the infotainment system with Apple CarPlay™ and Android Auto™ as standard across the range.

#### **NAVIGATION SYSTEM**

The Columbus satellite navigation with 9.2" touchscreen display and integrated Wi-Fi will get you from A to B, but why stop there? With its Bluetooth® and Wi-Fi capability, it offers more connectivity on-the-go.

#### EMERGENCY CALL

Activated by pressing a red button placed in the roof headlining, Emergency Call provides immediate contact with the emergency services. In the event of a crash, the call is made automatically to ensure you get the help you need.

### HIGHLY **ACCOMMODATING**

Maximising space has always been ŠKODA's way. It's why the car's flexible rear seats can be configured to your precise journey requirements, while the cleverly designed storage compartments and adaptable boot space ensures everything you need is always close at hand.

#### SPACIOUS STORAGE

Several spacious storage compartments have been included in the interior. Some are also air-conditioned, making it perfect for storing chilled refreshments.

#### **UNIBAG**

Designed for transporting skis or a snowboard, the Unibag fits perfectly in the rear of the KAROQ when the middle seat backrest is folded down. Best of all, two rear passengers can still relax in total comfort.

#### JUMBO BOX

Featuring reversible cup holders, the Jumbo Box will also store your gadgets, house keys and cards.

#### **FOLDABLE TABLES**

Built into the backrests of both front seats, the foldable tables with drink holders an be used for more than just your refreshments.

ELECTRICALLY FOLDING TOW BAR

switch in the boot, the KAROQ's foldable tow bar ensures it is safely hidden when not equired.

#### VIRTUAL PEDAL

On-hand when none of yours are free. Simply use a 'kick motion'underneath the luggage compartment to effortlessly pen the boot.

#### **REAR-VIEW CAMERA**

Hidden under the boot handle, the rear-view camera makes light work of reverse parking, with an integrated washer to keep obstacles visible.

#### **CHILD SAFETY LOCKS**

With a quick push of a button, you'll enjoy the peace of mind that comes from knowing the youngest passengers onboard aren't going anywhere.

### **ALWAYS ON THE LOOKOUT**

It's always helpful to have an extra set of eyes on the road. It's why you'll find a number of smart assistant systems, ready to protect you and your passengers from any unseen dangers.

#### **BLIND SPOT DETECT**

An extra set of eyes on the road that monitors the blind spots allowing you to manoeuvre safely.

#### REAR TRAFFIC ALERT

Included as part of the Blind Spot
Detect system, this assistant helps
you reverse safely from a parking
space when visibility is restricted. It can
also activate the brakes automatically if
an imminent collision is detected.

#### ADAPTIVE CRUISE CONTROL

Using a radar on the front grille, this feature keeps you a safe distance from the vehicle in front and enables you to maintain a constant speed without using the pedals.

Helping you stay in the intended lane of travel, Lane Assist uses a camera to detect road markings, and supports steering if you veer too close to the edge.

Pricing valid as of 7th May 2020.

The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2020. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2020.

From 6 April 2020, the official  $CO_2$  emissions values used to calculate benefit in kind (BIK) charges for fleet channels will charge for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020.

### YOUR KAROQ, YOUR WAY

Make all your adventures exciting with the latest tech, and your touring easier and practical with our extensive range of KAROQ accessories.

### ROOF BOX AND ROOF BARS

By using the roof box in conjunction with our aluminium roof bars, you solve a common problem when transporting large, awkward objects such as skis, snowboards, pushchairs and golf bags that don't fit into the luggage compartment of a fully seated car. With its spacious 380 litres of volume, it can comfortably carry up to 120 kg in total stability.

#### BICYCLE CARRIER FOR A TOWBAR

This rack can carry two bicycles and is extremely sturdy, easy to fit and easy to use – you simply need to lift the bicycle up a little to secure it in place.

#### MULTIMEDIA HOLDER AND ADAPTER

This clever holder allows tablets between 115 and 195mm to be viewed both vertically and horizontally. It can also be tilted forwards, backwards or sideways by up to 30° and can be rotated 360°, making versatile viewing for your rear passengers.

#### NEXTBASE 522GW DASH CAM AND GO PACK

Recording in 1440p HD, the new
Nextbase 522GW Dash Cam now packs
even more features into the UK's most
popular dash cam brand, including built-in
Amazon Alexa, HD touchscreen and
Intelligent park mode - which begins
recording when any physical vehicle
movement is detected, keeping your
vehicle safe when parked.

#### REAR SEAT PROTECTION AND DOG SAFETY BELT

Forget worrying about the cleanliness of your car, particularly when transporting your pet. This easy-to-clean seat protector is sufficiently sized to cover the back seats. It is waterproof, washable and has an anti-slip treatment for your pet's safety. The safety belt keeps your dog safe and is available in a variety of sizes.

Images are for illustrative purposes only. Please ask your ŠKODA Retailer for further information. All the above accessories can only be added to the vehicle after production at a ŠKODA Retailer and some may include an additional fitting cost.

### PROTECTION PACK

A walk in the woods or a day at the beach – it's great for the soul but not for your interior. Protect your KAROQ and save money with our Protection Pack. The pack includes front and rear mudflaps, double-sided boot liner and textile or rubber floor mats – all for a special pack price.

#### **MUDFLAPS**

Mudflaps prevent stones, grit and road spray from ruining your precious bodywork. This custom design is moulded to fit snugly into the contours of the wheel arches.

#### FLOOR MATS

These quality mats will keep your carpeted floors looking pristine. Thanks to quick release floor poppers, they won't slip around beneath your feet. They come in textile fabric but rubber versions are also available for the more outdoorsy types.

#### DOUBLE-SIDED BOOT LINER (VARIOFLEX)

No matter how mucky things get, it's good to know that there's a boot liner to match it. This clever liner comes with an all-weather texture on one side with a textile reverse. They're quick to fit and remove, and all come with a 5cm raised edge to keep in dirt and make mucky boots a thing of the past.

#### **VED (Vehicle Excise Duty)**

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide ( $CO_2$ ) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data,  $CO_2$  figures may differ on these vehicles if taken from current ŠKODA UK stock.

 $Vehicle\ Excise\ Duty\ (VED)\ is\ correct\ at\ time\ of\ publication,\ but\ this\ may\ alter\ to\ reflect\ any\ change\ in\ the\ applicable\ VED\ rate.$ 

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £325 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

Company car tax is based on the vehicle's carbon dioxide  $(CO_2)$  emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

#### P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

#### BiK (Benefit in Kind)

The BiK percentage value is based on the CO<sub>2</sub> emissions of the vehicle for the current tax year 2020/2021.

<sup>\*</sup> Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st April 2020. Choice of wheels and other options may affect fuel consumption and emissions data. ### **ADDITIONAL INFORMATION**

#### **ŠKODA Financial Services**

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

- 1. Part exchange your car for a new ŠKODA on a Solutions contract.
- 2. Pay the optional final payment to own the car.
- 3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

T&Cs apply. ŠKODA Financial Services..

#### ŠKODA Car Insurance

#### Complimentary ŠKODA Drive Away Insurance

We want you to start enjoying your new car from day one, which is why every new or used ŠKODA, purchased from a ŠKODA Retailer, comes with five days' complimentary insurance. This comprehensive cover guarantees that your vehicle will be repaired in a ŠKODA Approved Repairer.

To set up your five day cover, please visit **insurewithskoda.co.uk/driveaway.** Alternatively, you can call us on **0345 877 6348**.

Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday. You will need the following information from your ŠKODA Retailer: vehicle model, registration number, vehicle collection date, ŠKODA Retailer number.

Subject to eligibility. Five day drive away insurance cannot be used in conjunction with any other insurance offer.

We will also provide you with a quote, giving you the option to purchase annual cover that comes with a 3 Year Fixed Price commitment; so you can relax knowing that if nothing changes over the next three years, the cost of your car insurance won't increase. See below for more details.

#### Annual Car Insurance with the ŠKODA 3 Year Fixed Price Commitment

You can't always predict what life has in store, but with ŠKODA 3 Year Fixed Price Car Insurance you can relax knowing the cost of your car insurance won't increase each year. The price will only change if your circumstances do. Cover runs for 12 months at a time and you'll receive a renewal notice confirming your fixed price for the following year.

With ŠKODA Car Insurance, you're not tied in for the three years, so if you decide you no longer want cover, you can simply let us know before your cover renews. If you choose to renew cover annually, the premium will be fixed for two consecutive renewals. If you make an amendment to your policy the premium at your next renewal will change, and this will be fixed for the remaining renewal periods. The fixed price commitment will no longer apply if you or a named driver gain a motoring conviction or make a claim (excluding windscreen claims), and the fixed price commitment does not apply to optional additional products and/ or Insurance Premium Tax changes.

### ŠKODA Car Insurance provides comprehensive cover, and you can enjoy the following benefits as standard

- > 3 Year Fixed Price Commitment
- > ŠKODA Approved Repairs carried out by ŠKODA Approved Technicians using only ŠKODA Genuine Parts and Paints (excludes windscreen claims)
- > Guaranteed courtesy car whilst yours is in for repair
- > Uninsured driver promise when you make a claim for an accident that is not your fault (providing we have the vehicle registration, make, model, and driver details)
- > Windscreen cover
- > Personal accident cover
- > Personal belongings cover (excludes loss of money)
- > Child seat replacement

Enjoy peace of mind and complete convenience, relax in the knowledge you have a policy tailored specifically for your ŠKODA.

There's a lot to like about being a ŠKODA driver. Get a quote or find out more at **insurewithskoda.co.uk** Alternatively, call us on **0345 246 9091**. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday.

#### **ŠKODA GAP Insurance**

If your ŠKODA is written off, your motor insurer will usually settle your claim based on its current market value. This could be substantially less than the original value of your vehicle. ŠKODA GAP (also known as 'Guaranteed Asset Protection') Insurance helps to bridge the payment gap to get you back in a new ŠKODA. Whether you purchase, finance, lease or hire your vehicle, ŠKODA GAP Insurance is available and can be arranged up to 60 days after you have collected your new or used vehicle. For more information about ŠKODA GAP Insurance, please visit: **insurewithskoda.co.uk/gap-insurance**.

ŠKODA GAP Insurance is administered by Abraxas Insurance Administration Services Limited and underwritten by MAPFRE Asistencia Compañia Internacional De Seguros y Reaseguros, S.A..

#### Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

#### Service Plan for cars under a year old

This covers your first two services for one payment of just £342 or 24 monthly payments of £14.25. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

#### Service intervals

When you order your KAROQ, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

#### Peace of mind with a ŠKODA warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner. Your KAROQ also benefits from a three-year paint warranty and 12-year body protection warranty. Exclusions and terms and conditions apply.

#### Owning a ŠKODA

#### Three-year vehicle warranty from new

First two years unlimited mileage.
Third year with 60,000 mile limitation, whichever is sooner.
Four to five years Optional Extended Warranty.

#### Three-year paint warranty

Up to 12 years body protection.

#### **Exclusions and limitations**

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight

adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at:

Figures shown are for comparability purposes; only compare fuel consumption and  $CO_2$  figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st April 2020. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see **skoda.co.uk/owners/witp-info** or consult your retailer.

For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your retailer.

ŠKODA UK may change RRPs at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen ŠKODA Retailer.

The information in this document referring to specification, design, equipment, material and external appearance relates to the time at which this brochure was created.

Whilst every effort is made to ensure its accuracy, the information in this document is not binding and is subject to alteration. Some images within this document depict left hand drive models, with both standard and optional equipment shown. Please confirm exact specifications, prices and colour availability with your ŠKODA Retailer who will be notified of any changes as they occur.

The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2020. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2020.

From 6 April 2020, the official  $CO_2$  emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020.

#### **OTR (On The Road)**

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

#### **VED (Vehicle Excise Duty)**

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide ( $CO_2$ ) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data,  $CO_2$  figures may differ on these vehicles if taken from current ŠKODA UK stock.

 $Vehicle\ Excise\ Duty\ (VED)\ is\ correct\ at\ time\ of\ publication,\ but\ this\ may\ alter\ to\ reflect\ any\ change\ in\ the\ applicable\ VED\ rate.$ 

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £325 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

Company car tax is based on the vehicle's carbon dioxide  $(CO_2)$  emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

#### P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

#### BiK (Benefit in Kind)

The BiK percentage value is based on the CO<sub>2</sub> emissions of the vehicle for the current tax year 2020/2021.

## **ALL-NEW OCTAVIA**

Effective: 21st December 2020 Price and specification model year 2021

# NEW OCTAVIA IV – PLUG INTO THE FUTURE

Enjoy the dynamism and efficiency of a plug-in hybrid with the OCTAVIA iV. Available on SE L and vRS trims. There is no longer a need to compromise between performance and sustainability.

### CHARGING

The socket situated on the front left wing allows the electrical engine to be charged with ease. When charging at home with a wallbox or at a public charging station, an empty battery can be fully charged in five hours.

#### **CABLE COMPARTMENT**

No need to think about where to store the charging cables. A bespoke compartment, in the boot of the car, provides plenty of room for both the fast charging cable and home charging cable.

#### DRIVE MODE SELECT

A choice of settings to suit all conditions and driving styles; SPORT mode provides the maximum power output of 204PS (245PS for vRS iV), whilst in E-mode, the ŠKODA OCTAVIA iV is powered exclusively by the battery. In HYBRID mode, the electronics optimise the balance between the petrol engine and the electric motor.

#### **IV VIRTUAL COCKPIT**

Put all the informaton you need right in front of your eyes with the customisable 10.25" display. Replacing the traditional instrument dials, the screen can be customised with five views (Classic, Basic, Extended, Modern and Sports)..

# CONNECT WITH IV FOR EVEN MORE CONTROL

OCTAVIA iV takes ŠKODA Connect to another level with added functionality aimed specifically at our first plug-in hybrid and it's advanced systems.

#### **CHARGING STATIONS**

Charging stations are easily located with the iV's upgraded navigation system. Latest information about prices, charger types and parameters concerning electricity – all at your fingertips.

#### REMOTE CHARGING

You can also control battery charging from the comfort of your own home. With the vehicle plugged into the mains, a tap of your smart phone screen can start or finish the process. The battery's current state of charge is also displayed on the screen.

## REMOTE AIR CONDITIONING AND DEPARTURE PLANNER

With Remote Air Conditioning, you can cool the vehicle interior prior to any journey. You can also schedule for the car to be air conditioned at a specific time. The departure planner lets you check the battery level and set the time of charging.

Pricing valid as of 21st December 2020.

The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2020. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2020.

From 6 April 2020, the official  $CO_2$  emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020.

#### **OTR (On The Road)**

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

#### **VED (Vehicle Excise Duty)**

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide ( $CO_2$ ) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data,  $CO_2$  figures may differ on these vehicles if taken from current ŠKODA UK stock.

 $Vehicle\ Excise\ Duty\ (VED)\ is\ correct\ at\ time\ of\ publication,\ but\ this\ may\ alter\ to\ reflect\ any\ change\ in\ the\ applicable\ VED\ rate.$ 

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £325 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

Company car tax is based on the vehicle's carbon dioxide  $(CO_2)$  emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

#### P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

#### BiK (Benefit in Kind)

Based on

The BiK percentage value is based on the CO<sub>2</sub> emissions of the vehicle for the current tax year 2020/2021.

information

<sup>\*</sup> Figures for the ŠKODA range, including petrol/diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO<sub>2</sub> and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st April 2020. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see **skoda.co.uk/owners/witp-info** or consult your retailer.

<sup>\*</sup> Figures for the ŠKODA range, including petrol/diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO<sub>2</sub> and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st April 2020. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see **skoda.co.uk/owners/wltp-info** or consult your retailer.

# NEW SUPERB iV – PLUG INTO THE FUTURE

The new SUPERB iV is ŠKODA's first plug-in hybrid, uniting innovative electric drive technology with the iconic design now synonymous with the SUPERB name. Available across SE L, SportLine Plus and Laurin & Klement trim levels.

### CHARGING

The socket situated behind the grille allows the electrical engine to be charged with ease. When charging at home with a wallbox or at a public charging station an empty battery can be fully charged in five hours.

#### CABLE COMPARTMENT

No need to think about where to store the charging cables. A bespoke compartment, in the boot of the car, provides plenty of room for both the fast charging cable and home charging cable.

#### DRIVE MODE SELECT

A choice of settings to suit all conditions and driving styles; SPORT mode provides the maximum power output of 218PS, whilst in E-mode, the ŠKODA SUPERB iV is powered exclusively by the battery. In HYBRID mode, the electronics optimise the balance between the petrol engine and the electric motor.

# CONNECT WITH IV FOR EVEN MORE CONTROL

SUPERB iV takes ŠKODA Connect to another level with added functionality aimed specifically at our first plug-in hybrid and it's advanced systems.

#### **CHARGING STATIONS**

Charging stations are easily located with the iV's upgraded navigation system. Latest information about prices, charger types and parameters concerning electricity – all at your fingertips.

#### REMOTE CHARGING

You can also control battery charging from the comfort of your own home. With the vehicle plugged into the mains, a tap of your smart phone screen can start or finish the process. The battery's current state of charge is also displayed on the screen.

## REMOTE AIR CONDITIONING AND DEPARTURE PLANNER

With Remote Air Conditioning, you can cool the vehicle interior prior to any journey. You can also schedule for the car to be air conditioned at a specific time. The departure planner lets you check the battery level and set the time of charging.

Pricing valid as of 2nd February 2021.

The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2020. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2020.

From 6 April 2020, the official CO<sub>2</sub> emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020.

iV

<sup>\*</sup> From 1 April 2020, the official CO<sub>2</sub> emissions values used to calculate Vehicle Excise Duty (VED) charges will change for all passenger car registrations in the UK, due to a change in the method of testing. This will affect the recommended 'on the road' price you pay (in most circumstances, prices will increase).

#### OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

#### **VED (Vehicle Excise Duty)**

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide ( $CO_2$ ) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data,  $CO_2$  figures may differ on these vehicles if taken from current ŠKODA UK stock.

 $Vehicle\ Excise\ Duty\ (VED)\ is\ correct\ at\ time\ of\ publication,\ but\ this\ may\ alter\ to\ reflect\ any\ change\ in\ the\ applicable\ VED\ rate.$ 

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £325 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

| 40% income tax  | £3,058.80 divided by 12 months | £254.90    |

Company car tax is based on the vehicle's carbon dioxide  $(CO_2)$  emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

#### P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

#### BiK (Benefit in Kind)

Based on

The BiK percentage value is based on the CO<sub>2</sub> emissions of the vehicle for the current tax year 2020/2021.

SE Technology

<sup>\*</sup> This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

<sup>\*\*</sup> This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards - this rate currently applies to all ŠKODA diesel models.

<sup>\*</sup> Figures for the ŠKODA range, including petrol/diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO<sub>2</sub> and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st April 2020. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see **skoda.co.uk/owners/wltp-info** or consult your retailer. \*\* Please note: In some instances it is not possible to retrospectively fit a tow bar if the car is not fitted with tow bar preparation at Factory. Please speak to your Retailer to confirm the exact towing eligibility. \*\*\* Plug-in hybrid electric vehicle - WLTP Weighted Combined figure.

Pricing valid as of 3rd December 2020.

The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2020. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2020.

From 6 April 2020, the official  $CO_2$  emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020.

<sup>\*</sup> From 1 April 2020, the official CO<sub>2</sub> emissions values used to calculate Vehicle Excise Duty (VED) charges will change for all passenger car registrations in the UK, due to a change in the method of testing. This will affect the recommended 'on the road' price you pay (in most circumstances, prices will increase).

#### **OTR (On The Road)**

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

#### **VED (Vehicle Excise Duty)**

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide ( $CO_2$ ) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data,  $CO_2$  figures may differ on these vehicles if taken from current ŠKODA UK stock.

 $Vehicle\ Excise\ Duty\ (VED)\ is\ correct\ at\ time\ of\ publication,\ but\ this\ may\ alter\ to\ reflect\ any\ change\ in\ the\ applicable\ VED\ rate.$ 

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £325 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

|   |                                |            |

Company car tax is based on the vehicle's carbon dioxide  $(CO_2)$  emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

#### P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

#### BiK (Benefit in Kind)

The BiK percentage value is based on the  $CO_2$  emissions of the vehicle for the current tax year 2020/2021.

### **ADDITIONAL INFORMATION**

#### **ŠKODA Financial Services**

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

- 1. Part exchange your car for a new ŠKODA on a Solutions contract.
- 2. Pay the optional final payment to own the car.
- 3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today. T&Cs apply. ŠKODA Financial Services..

#### ŠKODA Car Insurance

#### Complimentary ŠKODA Drive Away Insurance

We want you to start enjoying your new car from day one, which is why every new or used ŠKODA, purchased from a ŠKODA Retailer, comes with five days' complimentary insurance. This comprehensive cover quarantees that your vehicle will be repaired in a ŠKODA Approved Repairer.

To set up your five day cover, please visit insurewithskoda.co.uk/driveaway. Alternatively, you can call us on 0345 877 6348.

Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday. You will need the following information from your ŠKODA Retailer: vehicle model, registration number, vehicle collection date, ŠKODA Retailer number.

Subject to eligibility. Five day drive away insurance cannot be used in conjunction with any other insurance offer.

We will also provide you with a quote, giving you the option to purchase annual cover that comes with a 3 Year Fixed Price commitment; so you can relax knowing that if nothing changes over the next three years, the cost of your car insurance won't increase. See below for more details.

#### Annual Car Insurance with the ŠKODA 3 Year Fixed Price Commitment

You can't always predict what life has in store, but with ŠKODA 3 Year Fixed Price Car Insurance you can relax knowing the cost of your car insurance won't increase each year. The price will only change if your circumstances do. Cover runs for 12 months at a time and you'll receive a renewal notice confirming your fixed price for the following year.

With ŠKODA Car Insurance, you're not tied in for the three years, so if you decide you no longer want cover, you can simply let us know before your cover renews. If you choose to

renew cover annually, the premium will be fixed for two consecutive renewals. If you make an amendment to your policy the premium at your next renewal will change, and this will be fixed for the remaining renewal periods. The fixed price commitment will no longer apply if you or a named driver gain a motoring conviction or make a claim (excluding windscreen claims), and the fixed price commitment does not apply to optional additional products and/ or Insurance Premium Tax changes.

#### ŠKODA Car Insurance provides comprehensive cover, and you can enjoy the following benefits as standard

- > 3 Year Fixed Price Commitment
- > ŠKODA Approved Repairs carried out by ŠKODA Approved Technicians using only ŠKODA Genuine Parts and Paints (excludes windscreen claims)
- > Guaranteed courtesy car whilst yours is in for repair
- > Uninsured driver promise when you make a claim for an accident that is not your fault (providing we have the vehicle registration, make, model, and driver details)
- > Windscreen cover
- > Personal accident cover
- > Personal belongings cover (excludes loss of money)
- > Child seat replacement
- > Electric charging cables and home charger cover, as well as cover for accidents caused by any electric charging cables, when attached to your car
- > Electric car battery cover, whether it is owned or leased

Enjoy peace of mind and complete convenience, relax in the knowledge you have a policy tailored specifically for your ŠKODA.

There's a lot to like about being a ŠKODA driver. Get a quote or find out more at insurewithskoda.co.uk Alternatively, call us on 0345 246 9091. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday.

#### **ŠKODA GAP Insurance**

If your ŠKODA is written off, your motor insurer will usually settle your claim based on its current market value. This could be substantially less than the original value of your vehicle. ŠKODA GAP (also known as 'Guaranteed Asset Protection') Insurance helps to bridge the payment gap to get you back in a new ŠKODA. Whether you purchase, finance, lease or hire your vehicle, ŠKODA GAP Insurance is available and can be arranged up to 60 days after you have collected your new or used vehicle. For more information about ŠKODA GAP Insurance, please visit: insurewithskoda.co.uk/gap-insurance.

ŠKODA GAP Insurance is administered by Abraxas Insurance Administration Services Limited and underwritten by MAPFRE Asistencia Compañìa Internacional De Seguros y Reaseguros, S.A..

#### Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

#### Service Plan for cars under a year old

This covers your first two services for one payment of just £396 or 24 monthly payments of £16.50. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

#### Service intervals

When you order your SE Technology model, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

#### Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at: skoda.co.uk/owners/accessories-and-merchandise

Figures for the ŠKODA range, including petrol/diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO<sub>2</sub> and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st April 2020. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see **skoda.co.uk/owners/witp-info** or consult your retailer.

For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your retailer.

ŠKODA UK may change RRPs at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen ŠKODA Retailer.
