# SERVICE PLANS TO KEEP YOU COVERED

For ŠKODAs up to 8 years old.  
Pay monthly options available.

ŠKODA Ownership. Driven By Something Different.

# TAKING CARE OF YOUR ŠKODA

ŠKODA servicing and maintenance is designed to keep your car working as well as the day you first sat behind the wheel. So whether you've just bought a new ŠKODA, or you've been a proud owner for a few years, we have a plan to suit you.

## ŠKODA by name, ŠKODA by nature

We don't just put our name to anything, which is why all ŠKODA servicing is carried out by ŠKODA-trained technicians, using only ŠKODA Genuine Parts that come with a two-year warranty.

And because you'll find specialist technicians at all our retailers, your service can be completed at any one of them.

Every visit will be formally logged, whether that be a ŠKODA stamp in your service book or, for newer vehicles, a record in your online service book. This may seem like a small gesture, but it actually makes your car more attractive to future buyers.

Best of all, if you do decide to part with your ŠKODA, your service plan can easily be transferred to the new owner.

## Going the extra mile...

ŠKODA servicing has its perks

Choose your preferred retailer, service, date and time, through our quick and easy online booking service

From courtesy cars to collection and delivery, we'll make sure servicing doesn't put your life on hold

Taking care of your car inside and out means we'll always give it a wash and vac before handing back the keys

We'll even send you a video of our technician carrying out a free health check, for extra peace of mind

## WHAT'S THE PLAN?

To make sure you get the most from our plans, we tailor them to you and your ŠKODA. There are three types of plan:

► **Service Only** ► **Service & Maintenance** ► **Service, Maintenance & Tyres**

### Simply servicing

Taking care of your ŠKODA shouldn't be complicated. Our service-only plans offer two consecutive services with fixed prices. So, as long as your ŠKODA's under eight years old, and you drive less than 10,000 miles each year, one of these could be just what you're looking for.

Vehicle Age	2 Services	Upfront or 18 Payments	
<b>Service plan*</b> Under 1 year old cars (with 10,000 miles or less and yet to have its first service)	Oil service Oil & inspection service	<b>£279.00</b>	<b>£15.50</b>
<b>Service plan</b> Over 1 year old cars / up to 8 years	Interim service Major service	<b>£387.00</b>	<b>£21.50</b>

If you cover more miles, or want maintenance or tyre cover we can create a bespoke plan that fits your lifestyle. Read on about our other plans.

## Service and maintenance

Our comprehensive service and maintenance plan works around a term and mileage that suits you. That's anything between 2-4 years (5,000 to 40,000 miles per year) and no more than 120,000 miles, plus the convenience of fixed monthly payments.

## Service, maintenance and tyres

Give your new ŠKODA a head start with all the advantages of our service and maintenance plan, plus tyre cover. Big on benefits and great value for money, this plan will ensure your ŠKODA's in optimum condition for years to come.
